VOLUNTEER!

Volunteers are the backbone of our agency, often working one-on-one with clients or doing crucial work to sustain our everyday operations. They allow us to provide services for free to the thousands of clients that seek our help.

Become a volunteer today!

Housing Counseling

Housing counselors work directly with our clients, educating tenants and landlords about their rental rights and responsibilities. This challenging work is highly rewarding! You might help a low-income family avoid eviction, or help a landlord ensure they are following fair housing laws in their rental applications. This position is ideal for anyone wishing to have an immediate, positive influence in their community and help people with solutions to real life problems.

Training and Requirements: Volunteers must complete a 12-hour training followed by an additional 4 - 8 hours shadowing an experienced counselor. Staff are available to advise and answer questions.

Minimum commitment: 3 hours per week for one year

Phone: (608) 257-0006 x0, choose option 3 for Aaron.

Housing Mediation Service

The volunteers who staff the Housing Mediation Service are already trained in mediation. We provide further training in small claims court mediation and Tenant Resource Center procedures. Most mediations take place at the Dane County Courthouse on Tuesdays during eviction hearings. Mediators help tenants and landlords come to an agreement to avoid eviction, usually a payment plan or a move-out date.

Training and Requirements: Volunteers must have completed outside training in out-of-court mediation and be available for regular shifts on Tuesdays. New mediators will receive 12 hours of training at the courthouse before leading sessions on their own.

Minimum commitment: One shift per month for one year.
