

## COMMUNITIES & ORGANIZATIONS WITH DEMENTIA FRIENDLY COMMITTEES IN DANE COUNTY

Steering committees have been formed to shape the volunteer community efforts that will make Dane County dementia-friendly.

The goals of these committees are as follows.

- Ensure those experiencing dementia and their loved ones are able to get proper help.
- Create a general awareness plan so people do not stigmatize and assume the worst when it comes to dementia.
- Train and empower businesses and organization to better interact with those experiencing dementia, designating such businesses and organizations as “Dementia Friendly”.
