Connecting people with the assistance they need

## Private Pay Case Managers and Support Brokers

Private Pay Case Managers and Private Pay Support Brokers provide similar services, based around supporting clients in a personalized manner via a care plan. They coordinate various services, like medical appointments, housing arrangements, and transportation. They advocate for individual rights and preferences, they provide information and referrals, and play an important role in helping individuals with disabilities and older adults access the necessary resources and services, promoting independence and a higher quality of life.
