Supportive Home Care

Supportive home care services are provided by an aide who can be hired privately, or through an agency. Services may be provided on a long term or short term basis, and may be for the purpose of providing respite to the primary caregiver.

Supportive home care staff assist with:

- Personal care: bathing, dressing, toileting, grooming, mobility, eating
- Household care: cooking, cleaning, laundry, grocery shopping
- Health related care: medication reminders, doctor appointments, therapy exercises
- Emotional care: companionship, meaningful activities, conversation

Cost of services may be covered through:

- Private pay, long term care insurance, long term care Medicaid programs, grant funding, Veteran services or programs
- Not covered under Medicare

Training and Regulation:

- Training and background check requirements vary between agencies, and are the customer's responsibility if hiring a private provider.
- Not licensed and not regulated by the WI Department of Health Services Division of Quality Assurance.
